Praise Reports

For a very successful three-week tour through Germany, and the income it produced for Ariel.

For the few year-end speaking opportunities where believers were generous with their giving, allowing us to end the year in black.

For a replacement for Tovyah, who left us in December to move to Pennsylvania in preparation for her marriage this May. Her sister, Rivkah, is now Mary Ann's new caretaker.

For the completion of the editing phase for a new book titled, *When Your Face Was Your Destiny*; this book chronicles the Fruchtenbaum family's experience during the Holocaust.

Prayer Requests

For the completion of the dining hall, which is now roughly 90 percent complete.

Pray for my fall and winter itinerary. I will be traveling in the U.S., Germany, Australia, and New Zealand.

For the finalizing of all DVD's from the 2011 summer school program. Pray that these DVD's are made available in 2012.

Please continue to pray for the salvation of my mother and my six siblings.

Please continue to pray for Mary Ann's health.

Pray for Rivkah, as she begins caregiving for Mary Ann.

Please pray for the publication of the following:

The actual writing of *The Life of Messiah* book, which is now well underway. Pray for the completion of my part by the end of June 2012.

For the publication of the new Fruchtenbaum Holocaust book, *When Your Face Was Your Destiny*.

The biography has run into a slight delay; pray for the completion of the final draft.

The Historical-Geographical Maps of Israel. This project has developed very well, and I will be doing the final touches on it this month. It will be published later in the year.

The correspondence courses for *Ecclesiology* and *Eschatology*.

We had two Muslims (mother and daughter) pray to receive the Lord. We also had one Italian gentleman, one Greek gentleman and his wife, and one Armenian woman pray to receive *Yeshua*. What a gift as more light shines with each addition to God's Kingdom. May they grow in the grace and knowledge of the Lord.

We thank God for the continued outreach to Jewish homes. Just a few weeks ago, four sets of Bibles were given out on Jack and Sharon's street. We know which addresses and home to pray for! That means that 20 percent of the block took the Bible.

We are excited that the Ariel manuscripts have begun to get translated into Spanish. We are almost ready with two of them and counting.

Prayer Requests

For Jack's trip to Ottawa to speak on the Feast of Purim. This is a great opening for us in Canada's capital. We want to see a capital gain here. Please pray for good publicity and open Jewish hearts in that city.

Please pray for Jack's trip to Capernwray in British Columbia. He will be teaching on the Minor Prophets at the bible school there.

Please pray for the *Shiloh* Hills ministry in Ontario this summer. Ariel Canada is overseeing its teaching and doctrinal platform.

Please pray for the French translation of *Footsteps of the Messiah*, and for our Internet site completion.

Please pray that the medicine my daughter Liel takes will not harm her, but will help her speech problems.

Pray for the possibility to raise enough money to replace our old car. So far we've raised \$3,000. We need roughly \$28,000.

We are seeking God's wisdom and guidance concerning whether He wants us to be used in the marriage intensive counseling sessions for couples who are in the ministry.

Our new Messianic congregation will have its monthly Friday meal. We may have an opportunity to share the message of salvation with unbelievers. Please pray.

Our son, Yonatan, will have his last bone marrow test in March to confirm if he is healed of Leukemia. Please pray for God's healing!

Praise Reports

We are very grateful and praise God for the things which have been accomplished in 2011. This includes the following:

We had two great teaching tours with Arnold this year, which were both very successful. New contacts were established and old ones renewed.

Several people volunteered to help with various aspects of the ministry, which is a huge encouragement to us.

We finally established Ariel Germany as an official branch this year.

Prayer Requests

Please pray for yet another upcoming teaching tour for Arnold in Germany. We hope to continue establishing new contacts. Pray that I may be able to follow up on the contacts that Arnold established, and that we can continue to minister to them when Arnold is not here.

Please pray for opportunities that I may be able to speak on behalf of Ariel in churches, fellowships, conferences, etc.

Please pray for further help in the various publication and media projects. We still have an urgent need for qualified proofreaders.

Please pray for my (Georg) health situation. I have cardiac arrhythmias and was told by my doctor to reduce my schedule.

Please pray for more support to come in.

Praise Reports

Thank you to those who are prayerfully supporting Gefen's outreach, and thank you to those who have financially supported Gefen. May God bless you as you bless Israel.

For the more than 650 Israelis who took the information on Gefen's international network in the past two months alone.

Gefen has recently started in a very relevant location where many thousands of Israelis are traveling each year. Thanks for your earlier prayers into this.

For follow-up visits in Israel. One encouraging visit was with Eli, who recently used Gefen's network overseas. He said he and his girlfriend would come with me to meet some believers from his local area once his exams are over.

For times of fellowship and prayer with several other believers. For outreach, specifically to the outcasts of society / addicts in the streets of Tel Aviv.

Prayer Requests

For the many hundreds of Israelis who heard the gospel in the last two months, that God may draw them and open their eyes to the truth that *Yeshua* is the Messiah, Savior and Lord of Israel and the nations.

For more prayer and financial support to enable all of Gefen's outreaches to continue and bear more fruit for the Lord's glory.

For more believers in Israel to go outside of the buildings where services are held and start connecting and outreaching much more with the Israeli people. There are many teachers, but not enough outreach to those who do not yet know

Gefen International

the Lord. *Yeshua* took and sent His disciples out among the people and had compassion when He looked on them.

For each of us who know the Lord. For our hearts to ever more fully abide in the true vine *Yeshua*; to love Him and receive His wisdom and guidance for our lives each day in 2012, and to rejoice as we walk with Him and share His love with others to bear fruit for His glory.
